#### **Panel 2 locker room. Boys are dressed putting bags away.**

3. Reggie: I saw Moose out there. You know what I hate? I swear, he never wipes down the equipment when he's done.
4. Archie: Never noticed before. I just like to get in, have a great workout and get out.

#### **Panel 3 Reggie only, locker room back ground. Reggie looking out the door at Moose on a seated chest press (or something similar).**

**Panel 2 Archie turning to talk to Reggie.**

1. Reggie: Okay Arch', you ready to get started?
2. Archie: Get started? Where have you been?
3. Reggie: Just over there straightening out Moose.

**Panel 3 The hands of the Clock in background shows that it is almost 5pm (or a digital clock that says 4:59 maybe). Reggie smacks his head, with his hand in frustration.**

4. Archie (gesturing toward clock): Well I hope it was worth it, the gym is closing.
